Death to us is an incomprehensible thing. It is an ever present element in our lives. But we know not of it, and sometimes we take it for granted. We walk through life, and it is by our side; yet it is unknown to us...until it strikes in our presence.

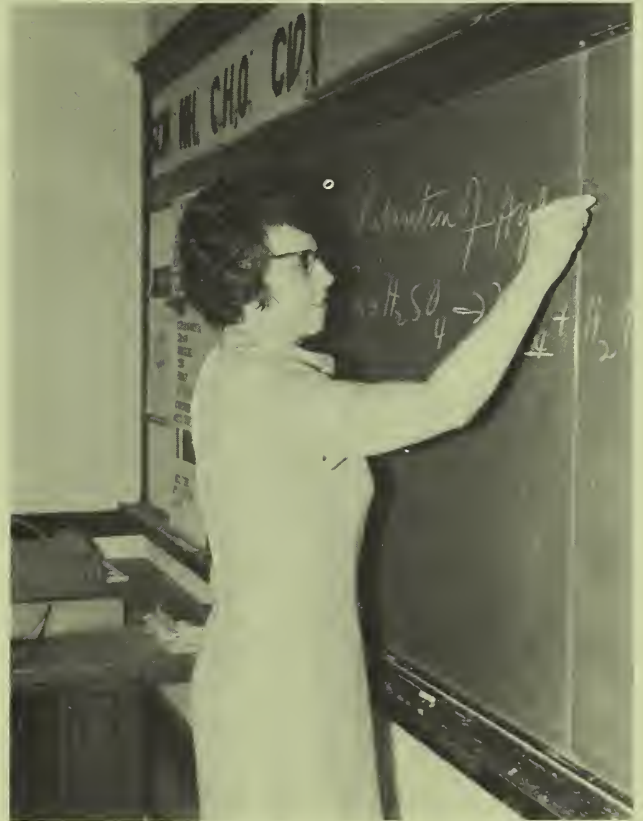

We then say, "Why?" No words can describe the emptiness felt by us at the loss of our friends. In God there is Life, In God there is Love, and in God there is also Death. It is through Him that we must find strength and hope.

Life is full of joys, happiness, and sorrows. We understand the joys and happiness, but the sorrows are harder to comprehend. Death, in the form of sorrow, comes to us in the shocking reality that we must face. We must take it in stride, but on the way, pause to say a prayer—a few words of hope and remembrance...

Dedication

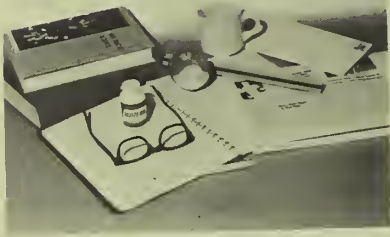

We, the Senior Class of 1968, have stored in our memories many unforgettable moments. The most valuable of these is the appreciation which we sustain for the person who has done the most to make our four years at Farmville High School a success. For the gracious manner in which she has always encouraged and promoted the well-being of our class, we gratefully dedicate this, the 1968 edition of the Archway to Mrs. Lurline Wheless.

Organizations

Students Exercise Self-Government

The SGA plays an important role at FHS. Giving students a chance to voice their opinions in a democratic society, it provides an opportunity for the students to make decisions on school affairs. Among their projects are homecoming, publishing the student handbook, and sponsoring other school activities. Headed by Jimmy Wooten and advised by Mr. Sam Worthington, the SGA is also responsible for the monitors in the halls each period. The council is elected by homerooms.

Jimmy Wooten: SGA President

Officers: Henry Jefferson, Susan Darden, Donnie Allen, Beverly Humphrey, Carol Smith, and Mrs. Sam Worthington, advisor.

Seniors: Sue Mitchell, Carolyn Mazingo, Peggy Ellis, George Thomas, Jimmy Cowan, and Jimmy Lewis.

Juniors: Janice Calhoun, Sue Joyner, Linda McLawhorn, Janice Thompson, Robbie McLawhorn, Frank Lewis, Roy Allen, and Bert Smith.

Sophomores: Laura Turnage, Freddie Barrett, Lois Umphlett, Linda Proctor, Fred Sauls, Libby Corbett, Susan Dwyer, and John Eason.

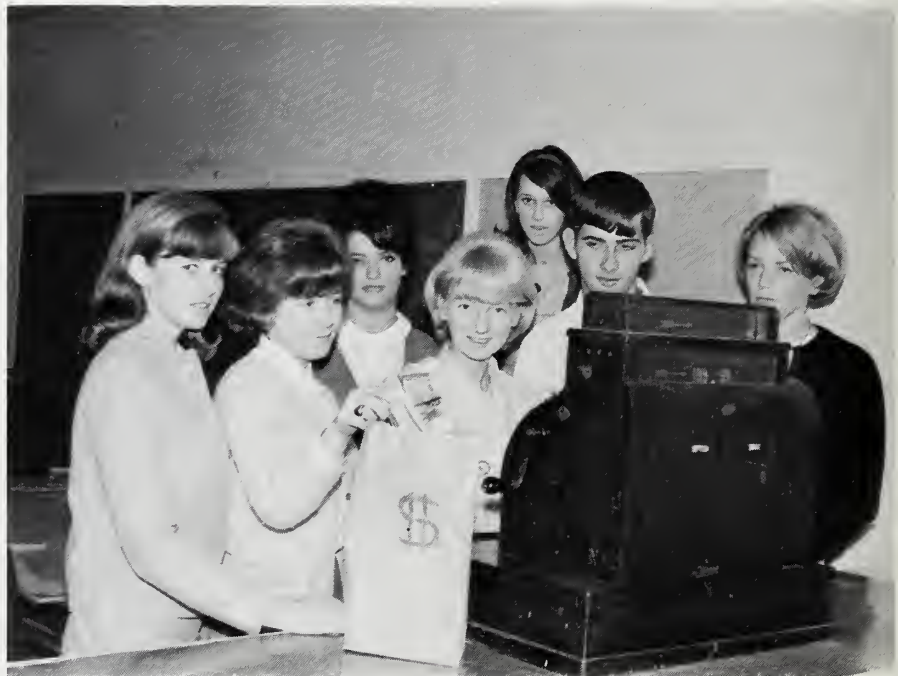

Freshmen: Donna Allen, Pattie Lewis, Jean Wells, Joy Bundy, Kathryn Kilpatrick, Lu Williams, Sarita Hardy, and Mike McLawhorn.

Encouraging Careers Through Practical Experience

DECA, advised by Mr. Charles Forbes, has opened up a new field of learning to interested students. The members are given a chance to preview the business world by taking part time jobs, supervised by Mr. Forbes, and the employer. Steve Hardison, President, is assisted by Dana Duke, Vice President; Hilda Allen, Secretary; Karen Barbour, Treasurer; and Olivia Tyson, Reporter.

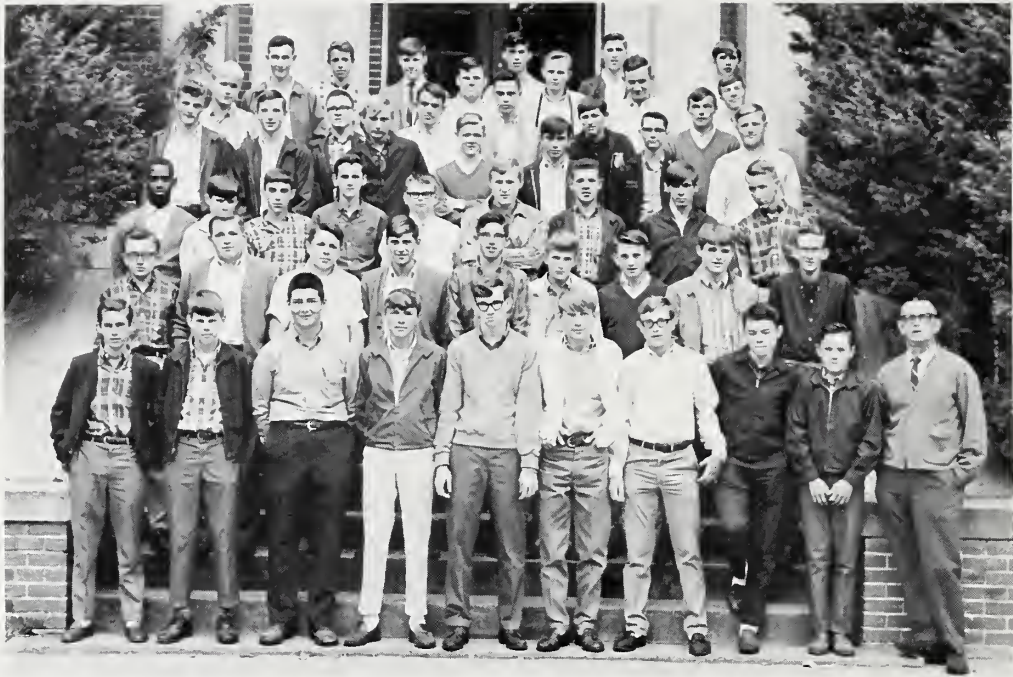

FBLA is a club which strives to prepare young people for the business field. One of the club's projects is to sell stationary. All members are required to have taken a business course or to be taking one at the present time. Officers this year are as follows: President, Diane Mozingo; Vice President, Elaine Britt; Secretary, Sandra Turner; Treasurer, Karen Barbour; Reporter, Mary Young; and Parliamentarian, Dana Duke. The club is advised by Mrs. Betty Fulford and Mrs. Barbara Wooten.

Preparation For The Real Test

Developing Skills In Agriculture

The FFA explores the most modern techniques of up-to-date farming and equipment. Advised by Mr. E.P. Bass, the club is led by President, Danny Tugwell; Vice President, Randy Dixon; Secretary, Glenn Shirley; Treasurer, Morris Lewis; Reporter, Wayne Vernelson; Sentinel, Lee Speight; and Chaplain, Johnny Little.

Future Homemakers of America

Jackie Tyndall leads the Home Economics girls as they train themselves to become future homemakers. Other officers are Patricia Starling, Vice President; Jo Ann Little, Secretary; Shelia Vandiford, Treasurer. The club is advised by Miss Elsie Seago.

Practical Application For Daily Needs

Preparing For Teaching Opportunities

An outlook of the teaching profession is presented to the Future Teachers of America club. Becoming aware of the problems and trivialities of a teacher are a few of the objectives of the club. Made up of all girls, the club is led by Janice Calhoun, President; Phyllis Griffis, Vice President; Sheron Jefferson, Secretary; Gwen Speight, Treasurer; and Cynthia Jones and Sue Mitchell program chairmen. Mrs. Pat Hart is the advisor.

In Preparation For Useful Citizenship

Serving the school and community, the Key Club, advised by Mr. Allen Benfield, carries on numerous projects throughout the school year. Officers are Jimmy Moore, President; Jimmy Wooten, Vice President; John Moore, Secretary; Frank Lewis, Treasurer; and John Eason, Chaplain.

Striving For The Top Through High Ideals

"WE SERVE" is the main goal put forth by each Keyette. Service to the school and community is what the club strives to do each year. To become a member, a girl has to be tapped by a Senior member of the club. Officers are as follows: President, Lee Joyner; Vice President, Sheron Jefferson; Secretary, Sue Mitchell; Treasurer, Tomianne Willis; Reporter, Niki Outland; and song leader, Susan Darden. The club is advised by Mrs. Pat Hart and Miss Elizabeth Edwards.

Service Through The World Of Books

Assisting students with books as well as keeping the library in order are only a few of the many duties of the library club. Mrs. Beverly Batchlor, librarian, keeps the club running efficiently to best serve the students. Led by Connie Corbett, President, other officers include: Neal Walston, Vice President; Freddie Barrett, Secretary; Bert Smith, Treasurer; Pattie Lewis, Reporter; and Laura Turnage, Chaplain.

Pursuing Scholarship - Their Goal

Twice each year the National Honor Society holds its candlelight ceremony. At this time, students who have a 90 average and display leadership, service and character are inducted into the chapter. The club is led by Sue Joyner, President; Janice Calhoun, Vice President; Jane Darden, Secretary; and Robbie Eason, Treasurer; Mr. Lewis Lawrence, Mrs. Mary Moore and Miss Elizabeth Edwards advise the club.

Beginners In Experimentation

The Junior Science Club is open to all Freshmen who have a genuine interest in the field of science. They explore the vast changes in the space age as well as study the present day achievements. Advised by Mr. Linwood Harris, the club is led by Dawson Andrews, President. Other officers include Pattie Lewis, Vice President; Jean Wells, Secretary; Gretchen Jefferson, Treasurer; and Katheryn Kilpatrick, Reporter.

Learning Through Experiment and Observation

Learning new techniques and advanced knowledge in science is the goal of the Senior Science club. Their biggest project of the year is the science fair held in the spring. At this time all science students submit a project and judges from this area award prizes. Another aspect of the club is their high level of scientific interest displayed by the speakers from DuPont. The club is led by Harvey Winstead, President; Glenn Johnston, Vice President; Lee Joyner, Secretary; Janice Thompson, Treasurer; and George Moore, Reporter. Mrs. Lurline Wheless is the advisor.

Getting Ahead To Meet The Future

Students who are mathematically inclined enjoy the Math Club's challenges. At the meetings, Mrs. Mary Moore and Mr. Julian Cameron tax the brains of the members by presenting old and new concepts in Math. The club is led by Jimmy Cowan, President; Neal Walston, Vice President; Jane Darden, Secretary; Jimmy Lewis, Treasurer.

Glee Club

Let There Be Music

Test in Glee Club? You'd better believe it! Mrs. Joe Taylor, music director, tries to teach the students the music symbols as well as how to sing the rich melodies. This trying job seems

well worth it when concert time arrives and once again the FHS Glee Club shines!

Long Hours Of Hard Work

Although the band is diminutive in size this year, they make up for it in their volume. Under the new direction of Mr. James Furr, the band keeps up their spirited rhythm whether at a football game or marching in a parade. This year's drum major is Jamie

Allen. Harvey Winstead is President of the band. Sue Joyner and Beverly Humphrey are librarians. Class representatives are Glenn Johnston, Sue Joyner, John Eason, and Thorne James.

Time, Patience, And Hard Work

The 1968 Archway staff got underway on their difficult task early in the summer. Using spare minutes to plan and prepare an annual that the students would like, they came up with this final layout. Lee Joyner serving as editor was assisted by Jimmy Moore and Harvey Winstead assistant editors.

Sports Staff: Jimmy Hillard, Tomianne Willis, and editor, Sarah Helms.

Feature Staff: Hazel Gay, Jackie Moore, and editor, Diane Hurley.

Art Editors: Glenn Johnston and Donnie Allen.

Copy Staff: Patricia Owens, Elaine Joyner, editor Cynthia Jones, and Sandra Turner.

News 'n' Views staff

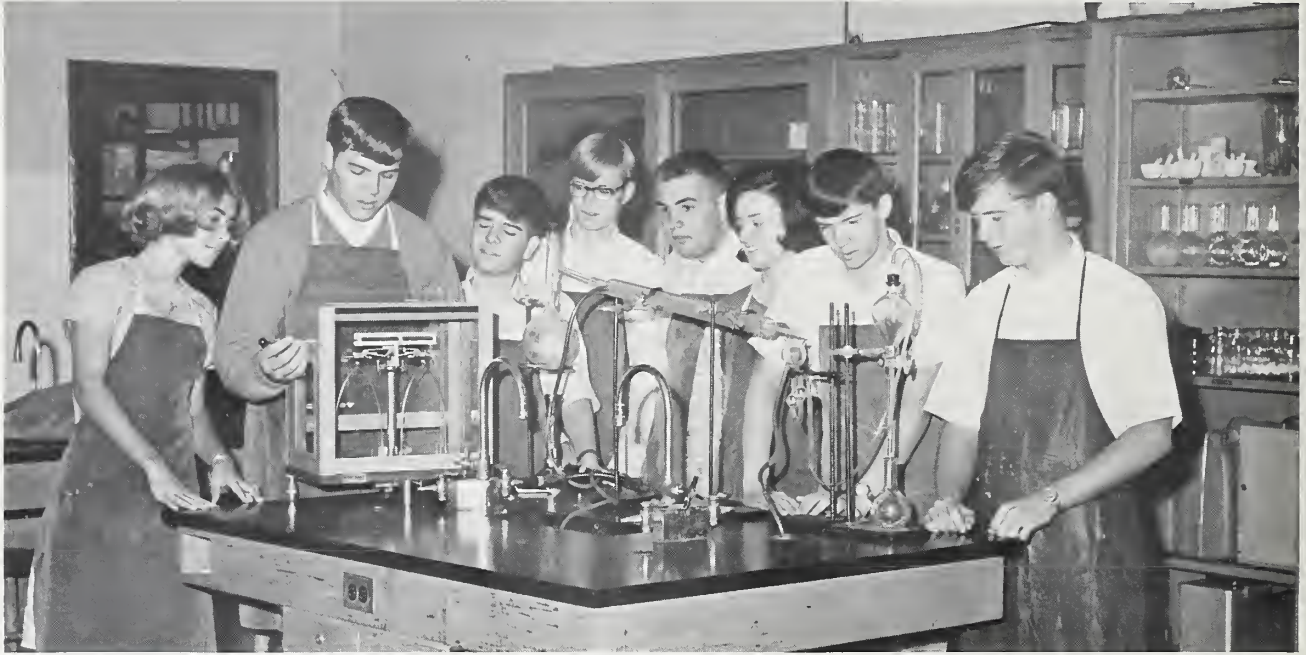

News Reported With Authoritative Views

With the coming of each six-weeks, the staff of the News 'n' Views finds itself working diligently on the next six-page edition of the paper. But all the hard work is well rewarded as each issue is distributed. Advised by Mr. Lewis Lawrence, the newspaper is co-edited by Peggy Ellis and Elaine Britt. The managing editor is Elaine Joyner, and the assistant editors are Lee Joyner and Niki Outland. The editors of the various staffs are as follows: copy, Karen Barbour; exchange, Sheron Jefferson; photographers, Harvey Winstead and Jimmy Hillard; sports, John Moore and Jimmy Cowan; features, Hazel Gay and Jackie Moore; humor, Thomas Purvis, Junior Lewis and Dick Anderson; and art, Lillian Gardner.

Curtain Rises For Dramatic Entertainment

Dramatics gives students a chance to express their feelings and at the same time learn to perform before a group of people. The grand finale came last year when Li'l Abner was given. After nine weeks of rehearsal, the curtain rose for a very successful two night run. Mr. Lewis Lawrence is director for the group.

Geared To Meet The Most Difficult Challenge

Recognition For Outstanding Achievement

Each year four Juniors are chosen to attend Boy's and Girl's State. Jimmy Moore and Jimmy Wooten were delegates to Boy's State, while Lee Joyner and Susan Darden were delegates to Girl's State. The Daughters' of the American Revolution choose an outstanding Junior girl to receive the DAR Good Citizen Award. This year the recipient is Susan Darden.

Harvey Winstead was selected as outstanding science student in the Junior Class to attend the National Science Institute's 5 week Chemistry course at Western Carolina University.

Five clubs honor students each year for being their "sweetheart." The DECA club has only one—a girl. This year Gail Mozingo, a senior, was given the title. The FFA and FHA chose Becky Dickinson and Glenn Shirley. Ann Bass and Richard Harris round out the list as they represent the Key and Keyette Clubs, respectively.

FFA and FHA sweethearts: Glenn Shirley and Becky Dickinson.

*A Night
To Remember*

Dana Oakley

One of the best students in the Senior class can be found in Dana Oakley. Dana's fine voice has helped him to prove he is a versatile performer on the stage by holding a leading role in Li'l Abner. Dana has also shown his athletic ability in football this year by making the All County Football team. This year he is President of the Senior class.

Cynthia Jones

Most noted for her efficiency, trustworthiness and great personality is Cynthia Jones. Cynthia is "tops" in her class for many reasons. She was a Freshman homecoming queen candidate and is presently serving as secretary of the Senior class, office assistant, and is a member of the Keyette Club. Cynthia deserves a lot of recognition for a four year job well done.

Susan Darden

"All for Farmville, stand up and holler!" is often yelled at students by the vivacious head cheerleader, Susan Darden. Also Susan has shown her scholastic ability by being chief marshal her Junior year and being a member of the National Honor Society. She was a delegate to Girl's State and was recipient of the DAR Good Citizenship Award. Three cheers for Susan!

Jimmy Moore

Three sport letterman Jimmy Moore has risen to the top in all his endeavors. Playing baseball, basketball, and football have kept him pretty busy. His senior year Jimmy was elected to the All County and All Conference football teams. Leadership is another field in which he ranks high. He was SGA Vice President his Junior year, class President that same year, and President of the Key Club his Senior year. Keep it up Jimmy!

Donnie Allen

One of the top members of the Senior class is Donnie Allen. He is well known for his musical and artistic abilities. His artistic ability is exemplified by his outstanding job on the designing of the 1968 Archway cover. One of his favorite pastimes is playing his guitar. His fellow classmates recognized his leadership abilities by electing him Freshmen Class President, Treasurer of the SGA, and tapping him into the Key Club his Senior year.

Lee Joyner

Leadership and responsibility go hand in hand with Lee Joyner. She has shown her leadership as she was elected President of the Keyette Club and editor of the Archway her Senior year. Her activities are varied as she has been a cheerleader for two years, secretary of the Science Club, assistant editor of the News 'n' Views, and was a delegate to Girl's State. Lee deserves credit for a four year job well done.

Niki Outland

Lively and friendly Niki Outland exemplifies the ideals of the Senior class. This was made clear when they gave her the title of "Miss Archway." Niki is seen in many activities around school. She was elected President of the District Library Convention her Junior year, All conference cheerleader that year, and took over the hard job of Business Manager of the annual her Senior year.

Harvey Winstead

A top notch science student, Harvey Winstead has shown his willingness to work and serve in many ways. His work in science is shown by the numerous prize winning science projects he has done, plus the fact he is presently head lab assistant and President of the Sr. Science Club. He has also been active in the Key Club and National Honor Society. Congratulations for a marvelous job.

Jimmy Wooten

"All rise for the Seniors!" is a phrase spoken by SGA President Jimmy Wooten. Quiet-spoken and well mannered. Jimmy has done an outstanding job of leading the student body. He has held numerous offices which include: President of his Sophomore class, Vice President of the National Honor Society his Junior year and Vice President of the Key Club as a Senior. A vote of thanks goes to Jimmy Wooten for a marvelous job.

Sue Mitchell

Li'l Abner was a huge success because of many fine performers. One of these was Sue Mitchell. Though she did not appear on stage, her performance as head of the make-up department was superb. This is just one of the many types of jobs which call for dependability and can be given to Sue. An SGA representative and an active member of the Keyette Club prove Sue is one of the finest members of the Senior class.

Varsity Football

Manager: Don Blair

Coaches: Mr. Carroll Wooten and Mr. Elbert Moye

The Red Devil Footballers, improved over last season, produced a successful 6-4 season. Losing two games only by a single touchdown in each to C.B. Aycock and Hobpton, and a third conference loss to Northern Nash, the Red Devils finished 4th in the Eastern Plains Conference. A high spot in the season came with a 33-0 homecoming win over Greene Central. At times the Red Devils showed a potent offense, with good passing added to the running game. Quarterback Jimmy Moore led the offense by tossing 15 touchdown passes for the season. Other top performers were: senior end Dana Oakley, tackles John Moore and Henry Jefferson. Many seasoned lettermen return next year to give Coach Elbert Moye and assistant Carroll Wooten a good nucleus to work with.

Red Devils Complete Successful Season On Gridiron

George Thomas sweeps around right end and picks up a first down for the Red Devils.

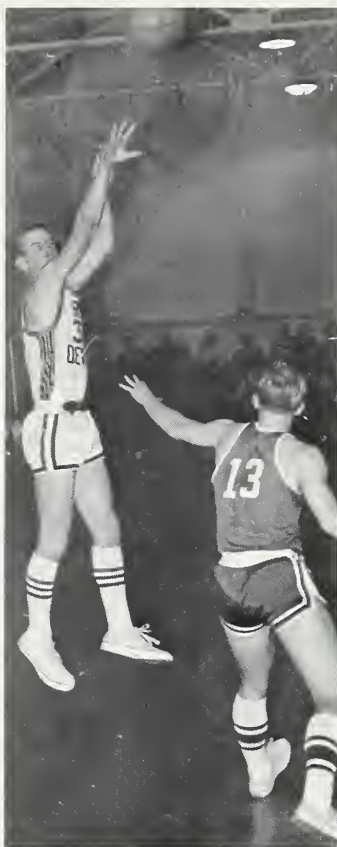

Red Devil Cagers Excel On Hardwood

Guided by Coach Allen Benfield, the '67-'68 edition of the Red Devil Basketball team has proven it is a formidable foe in the Eastern Plains Conference. By Christmas the Devils had won only a single game at the expense of Hobbs. But the Red Devils came on strong to win two close games in the Ayden Invitational Tournament. The next five games, the Devils turned on the steam and won convincingly in all of them. With this the Red Devils had gained sole possession of second place in the conference, and hopes are running high for a successful completion of the season.

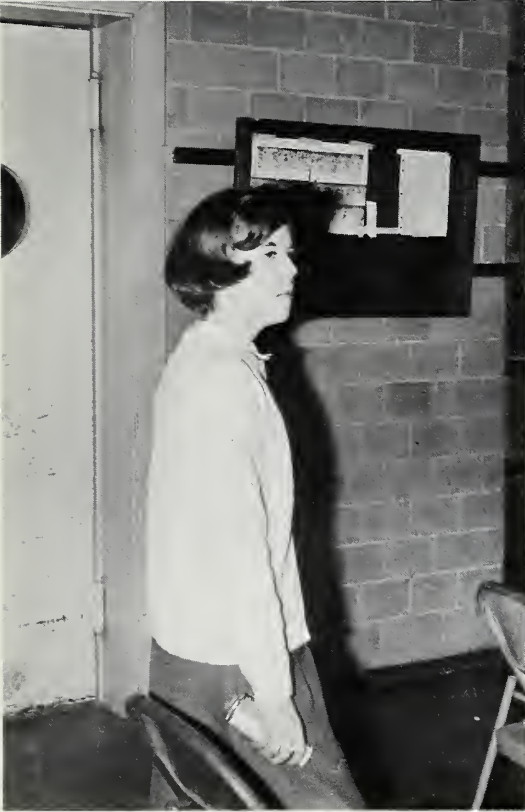

Lady Devils Build For Future

This Year the Lady Devils, coached by Mr. Carroll Wooten, are doing a major job of rebuilding. With only one starter back, Coach Wooten had a hard job to do. Four girls from last year's team are now starting along with an alternating Freshman.

The Red Devils got off to a slow start, but much improvement has been seen in them as they progress into the season. Coach Wooten is looking forward to a better second half of the season. Next year the Lady Devils should be even better.

Athletic Abilities Merit Special Recognition

In varsity football this year Jimmy Moore picked up All County and All Conference honors while Henry Jefferson and Dana Oakley made the All County list.

The following boys made the '67 All Conference track team; Henry Jefferson, David Baker, George Moore, Sammy Hobgood, Fred Sauls, Frank Styers, and William Sermons.

George Moore was selected to the 1967 All County and All Conference Basketball teams.

Susan Darden and Niki Outland were elected to the 1967 All Conference Cheerleading Squad.

Jimmy Hillard qualified for the state golf match held in Chapel Hill last season.

Cindermen Shine In Tough Conference

Farmville High School Cindermen captured the runner-up spot in the Coastal Plain Conference with a 3-2 record. Henry Jefferson set a record in the shot put and Louis Willoughby, George Moore, and Henry Jefferson along with Sammy Hobgood made the All Conference team in the 1967 season.

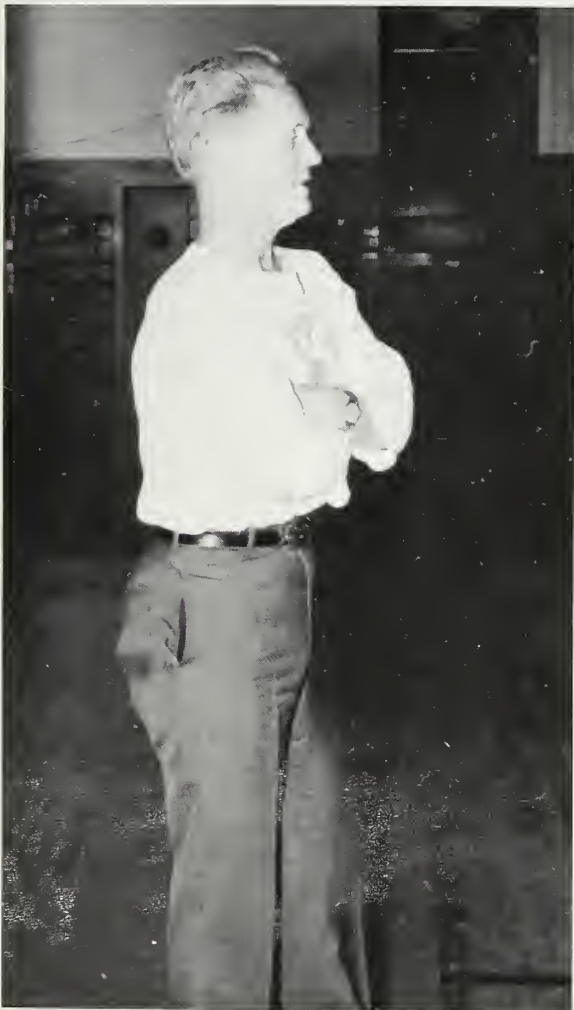

Diamond Devils Slug Away

The 1967 Red Devil Baseball team closed out its Eastern Plains Conference campaign with a 8-6 record. The team was the only one in the conference to defeat the conference champions New Hope. This year six of last year's starting nine return to help Coach Elbert Moye seek an improved record.

Patience Pays Off

The FHS golfers rounded out the season last year with a 2-1 record. All three matches were played with Northern Nash. They, along with the Devils, are the only 2A golf teams in the Coastal Plains Conference. The returning letter men are Jimmy Hillard, Henry Jefferson, Bob Pierce and Richard Harris. Jimmy qualified for the state high school championship at Camp Lejeune. Mr. Allen Benfield is the coach.

Baby Devils Find Success

Under the direction of Coach Allen Benfield, the Baby Devils finished the football season with a 3-3 record. Losses were to North Lenoir, Vanceboro, and Ayden. Wins were over Ayden and two wins over Robersonville. The Baby Devils had a powerful fullback in David Dwyer, and small but potent halfback Cloyce Wilson. Many of the Junior Devils return next year with the exception of the Freshmen who move up to Varsity play.

J.V. Cheerleaders and Basketball

Under the direction of Coach Elbert Moye, junior varsity basketball players are taught essential fundamentals necessary for varsity competition. This year they started the season in fine fashion by winning their first four games by considerable margins. Unfortunately, however, the J.V.'s fell into a mid-season slump and lost five games straight. The Junior Devils are led by the scoring combination of George Burnette and Charles Purvis. The other mainstays of the starting five are Dickie Newton, Frank Styers and Johnny Lewis.
